

BalancePlus Privilege

BalancePlus Privilege (BPP) is a service we provide to our checking account customers to cover inadvertent overdrafts. The service is subject to the eligibility criteria and other constraints as explained below.

- You are NOT required to have this service on your account - You may opt-out at any time.
- The payment of overdrafts is not guaranteed - With BPP we will strive to pay your overdraft items when presented against insufficient funds, however, whether your overdrafts will be paid is discretionary and not guaranteed. Payment of items into overdraft is based on your account remaining in good standing and the expectation that you will continue to make deposits consistent with your past practices.
- You may be charged an overdraft fee for each insufficient item paid into overdraft - You may be charged our overdraft or returned item fee currently \$36.00 for each item presented. When more than one overdraft item is presented and paid, multiple overdraft fees may be charged. Both the amount of the overdraft items and all other fees including, but not limited to overdraft fees, are included in this limit.
- Suspension/Removal of BalancePlus Privilege - After the program has been activated; we have the right to suspend the privilege at any time based on failure to meet our eligibility criteria. We also reserve the right to suspend the privilege if we believe you are not managing your account in a responsible manner that may harm you or the Bank. In that case, we may suspend your Overdraft Privilege even if you meet all the criteria listed below.
- Deposits to Overdrawn Accounts - All deposits to overdrawn accounts are applied to the negative balance.
- Closing of Overdrawn Accounts - Checking accounts that remain overdrawn for 45 consecutive calendar days will be closed and/or charged off. Closed and/or charged off accounts may be reported to national credit reporting agencies which may negatively impact your ability to open future banking relationships.
- Excessive Use - BPP is not designed to be used as a permanent solution for financial needs. The Bank monitors accounts for excessive use and we may remove ODP if we believe you are not managing your account in a responsible manner which may harm you or the Bank.

We then pay any items that were submitted electronically, such as ACH items, preauthorized automatic transfers, telephone-initiated transfers and any other electronic transfers. Finally, we pay the remaining items based on check order sequence.

NOTE: The available balance is your ledger balance minus any holds. Holds placed on your available account balance for pending debit card/electronic transactions, including gasoline, hotel/rental car deposits, etc., may reduce your available balance and cause your account to become overdrawn.
